Dear Valued Customer,

Our best source for attracting new customers is you. That's right! We depend on satisfied customers to spread the word to their neighbors, co-workings, and friends. And when they do, we want to reward and thank them. Our Referral Program is easy and will save you and our new customers money on your computer repair needs.

Simply write your name and address below, and pass this coupon on to whomever you are referring to us. When they place their first service call, they will receive 20% off all labor costs on their first service, and you will receive the same discount on your next service. It's that simple!

THANK YOU FOR YOUR BUSINESS!
